

# Elite Care Group – Volunteering Opportunities

## What is a Volunteer?

- a person who freely offers to take part in an enterprise or undertake a task
- a person who works for an organization without being paid
- people get involved through a process of community engagement

## Why become a volunteer?

Here's a few reasons

why we think volunteering is

awesome...

- Help other people
- Improve your communication skills
- Make new friends
- Make you community a better place
- Test out career options
- Get experience in aged care
- Get experience in youth services
- Feel good about yourself
- Discover new skills
- Get involved in a not for profit organisation
- Add resume credentials and gain CPD points

- Assist in membership activities supporting standard and corporate membership
- Attend meetings and become an active committee member
- Attend forums and speak on behalf of Elite Care
- Contribute to the Care and Support arms of Elite Care
- Gain training in skills to improve your prospects of finding paid working arrangements
- Bring some creative community programs ideas and lead them.
- Brand ambassador and business development capabilities
- Assist in the administration of day to day office work
- Assist in planning and holding fundraising events
- Assist in creating promotional material for Elite Care projects and programs
- Assist with the training programs run by Elite Care such as computing, learn English and so on
- Learn more about the NDIS and charity-based activities
